## **PRESS RELEASE**

### **Tree Top Hospital celebrates one-year anniversary with a Wellness Camp and special health screening packages.**

Tree Top Hospital will be celebrating its first year of operations with a Wellness Camp scheduled to be held on Saturday, 9<sup>th</sup> March 2019 from 09:00 am to 06:00 pm at the Tree Top Hospital in Hulhumale'.

The Wellness Camp will be a special open day with **free** sessions with consultants from specialities including Orthopedics, General Surgery, Internal Medicine, Obstetrics and Gynaecology, ENT, Pediatrics, Nephrology, Urology, Plastic and Reconstructive Surgery, Dermatology. The aim is to provide opportunities to the public for health consultations and create awareness among the public on good health practices. Where required, one **free** follow up consultation within two weeks following 9<sup>th</sup> March 2019. As part of the initiative we will also offer a 10% discount on selected radiology and laboratory tests on 9<sup>th</sup> March 2019.

Tree Top Hospital will also be introducing health screening packages '*Wellness Together*' tailored for women and men at special discounted rates valid until 31<sup>st</sup> March 2019. The health package includes medical check ups, physical examinations and a range of laboratory tests including Random blood sugar, Full Blood Count, Lipid profile, Urine analysis and Thyroid-stimulating hormone (TSH) test. The wellness package price for individuals under 40 years is MVR 1,000 and for individuals 40 years and over is MVR 1,500. The package will include special discounts on add-ons for all in-house laboratory tests. Bookings can be made through our Guest Services on 3351610.

Tree Top Hospital was established on 1<sup>st</sup> March 2018, under the umbrella of Tree Top Investments Pvt Ltd with the vision to be the leading healthcare provider in the Maldives by delivering international healthcare standards and high quality outcomes to our customers as well as ensuring sustainability of our organization. This means that all Maldivians and all our guests can experience state of the art medical services in the country and avoid taking long journeys to foreign countries for medical treatments.

While speaking on the occasion of TTH anniversary Director, Adam Saleem stated that "Medical sector is one of the highly value added industries and the future growth momentum to develop public health services is our priority. Our mission continues to remain customer focused, as such we have revised our prices within very affordable rates as we provide preventive, diagnostic and curative healthcare services that deliver superior outcomes and touch all individuals."

"We believe that trust and ethical behavior are integral to the delivery of care and we commit to improve and sustain excellent integrated healthcare services affordable to everyone".
