PRESS RELEASE

Tree Top Hospital has successfully completed its first embalming procedure on 19 January 2020.

Tree Top Hospital has successfully completed its first embalming procedure on 19 January 2020. This is the first time ever this procedure has been performed in the Maldives.

Embalming is performed for the preservation of the deceased for repatriation. Tree Top Hospital introduced embalming services through as part of our Mortuary services on June 2, 2019.

Embalming at Tree Top Hospital is performed by licensed professionals following procedures meeting international standards of care and handling. An official embalming certificate is issued which complies with international regulations. All necessary precautions are taken to ensure the safety and well-being of the human remains in accordance with local and international regulations.

For more information regarding embalming services, contact 3351610 or 7350850 or email care@treetophospital.com

End.
