Joint Press Release

Tree Top Hospital & United Nations Children's Fund (UNICEF) signed a Memorandum of Understanding

Tree Top Hospital & United Nations Children's Fund (UNICEF) signed a Memorandum of Understanding on July 30, 2019 to promote good nutrition and healthier lifestyles for children and their families.

Under this MoU, Tree Top Hospital and UNICEF will jointly promote good health and nutrition for children. The two partners will provide the public with correct and reliable information about the importance and safe child immunization, appropriate child feeding, and basic facts and information about healthy life style.

The two parties, together with the Ministry of Health, will promote the Baby Friendly Hospital Initiative (BFHI). The Tree Top Hospital is keen to become a leading Baby Friendly Hospital that promotes immediate initiation of breastfeeding after delivery as well as immediate skin to skin contact between the baby and the mother.

Additionally, Tree Top Hospital aims to support the national authorities in conducting dental check-ups for school students in Malé, with the plan to expand in the future.
